

Signs it's Time to Switch Your MFT Platform

BEFORE

Switching Managed File Transfer (MFT) Platforms

Mental Anguish

from an overly complex, high-maintenance data transfer platform.

Blindness

to the risks for security breaches and downtimes created by a high-maintenance platform.

Worry

Lines from concern over lengthy, costly development to customize your existing MFT.

Burden

of using an MFT without a helpful, knowledgeable support team.

Cheap Coffee

Symbolic of the latest cost savings efforts. Perhaps a less expensive data transfer platform could help bring back some bold flavor.

AFTER

Switching MFT Platforms

Peace of Mind

knowing you and your staff have access to a user-friendly, secure data transfer platform.

Smiles

resulting from reduced stress and a low-maintenance MFT.

Exceptional Confidence

due to unparalleled assistance from your MFT support team.

Rich, Bold Cup o' Joe

A little freshly ground Colombian and reduced penny pinching, courtesy of a less costly data transfer platform.

Stop wasting time and money on the wrong data transfer platform.

You need a MFT that is:

Easy to Use • Flexible • Well-supported

Globalscape's MFT solution offers a user-friendly platform that provides superior scalability, security, and support.
